

A stage event for Digital Orlando 2019. Five people are seated on a stage in front of a large screen displaying the event's logo and the text "DIGITAL ORLANDO". The scene is dimly lit with blue stage lights.

Orlando's Tech Community Converges

.....

Digital Orlando 2019 will explore how technology and innovation will shape our culture, companies, and community.

APRIL 10, 2019

Sponsorship & Exhibitor Information

DIGITAL ORLANDO 2019

April 10, 2019 • Orlando Science Center

PURPOSE

Orlando has gained global recognition as a tech and creative hub, recognized for digital media, simulation, software design, entertainment technologies, and industry education. Individuals and groups work daily to bring the tech community together by providing resources and support to startups, creating new educational opportunities, producing timely and relevant events, and developing spaces that are well-suited to the needs of today's tech entrepreneurs and professionals.

Digital Orlando 2019 convenes leaders from across the spectrum of Orlando's \$13+ billion technology sector to explore how technology and innovation will shape our culture, companies, and community.

AUDIENCE

Orlando Tech Innovation Ecosystem: Entrepreneurs, Talent, Corporations, Support Organizations, Universities & Educational Institutions, Government, Economic Development, Investment Capital, and Innovation Experts.

INDUSTRIES

- Virtual Reality / Mixed Reality
- Video Games/ Simulation
- Defense/ Cyber Security
- Robotics/ AI/ Drones
- FinTech/ Blockchain/ Crypto
- Digital Health/ Human Performance
- Urban Tech/ Transportation
- Sustainability / Smart Tech
- Universities/ Education
